- * No photos under glass or framed, except by the mount board as described above, will be accepted.
- * **IMPORTANT: Please stick at least four Velcro type hook circles or rectangle pieces to the back of each entry.** Test if it sticks to carpet to ensure your images will stick firmly to the carpet display boards (no staples, pins or thumb tacks will be used to hang the exhibits). - * **Macro** - Is extreme close-up photography, usually of very small subjects and living organisms like insects for example, in which the size of the subject in the photograph is greater than life size.
